## SECOND CIRCUIT CHEMICAL ABUSE EVALUATION AGENCY LIST

## SDCL32-23-2.1

Any person convicted of a first offense pursuant to § 32-23-1 with a 0.17 percent or more by weight of alcohol in the person's blood shall, in addition to the penalties provided in § 32-23-2, be required to undergo a courtordered evaluation by a chemical dependency counselor as defined in § 34- 20A-2 or a licensed or certified health care professional with specialized training in chemical dependency evaluation to determine if the defendant is chemically dependent. The cost of such evaluation shall be paid by the defendant. The recommendations of the evaluation shall be provided to the referring judge.

SDCL 36-34-13.1 defines a "chemical dependency counselor" as "a level II or III counselor certified by the South Dakota Certification Board for Alcohol and Drug Professionals."

SDCL 32-23-3; 32-23-4; 32-23-4.6 and 32-23-4.7 refer to a "court approved chemical dependency counseling program"—which does not appear to be defined in the statutes.
